### **Constraints, Assumptions, Risks and Dependencies (when applicable)**

#### ***Constraints:***

- Inability to find organizations to fundraise
- Low amount of volunteers
- Delays in material delivery
- Limited personal capital to raise bedding on our own

#### ***Assumptions:***

- Existing bed build sponsor experience
- Indoor parking garage for bed build in case of bad weather
- Volunteers to complete the bed build on April 25th

#### ***Risks and Dependencies:***

- We need to fundraise 40 Bed-in-a-bags before the bed build
- Bed build could be cancelled or delayed until after the semester ends
- Sponsor provides bed build materials
